

We are excited to share that our fifth annual RePurpose for a Reason fundraising event is scheduled for Thursday, November 14, 2019 from 6:00 - 8:00 p.m. at Badger State Brewing.

RePurpose for a Reason is a Greater Green Bay Habitat for Humanity fundraiser that is open to the public and features raffle items and live music. Money raised goes back to Habitat to build homes, communities, and hope in Brown County.

The highlight of the event is the silent auction, which consists of repurposed, refurbished, or art-based items that have been created by do-it-yourself enthusiasts and creative community members. Many of these items feature treasures that were originally found at the Green Bay ReStore.

If you can donate a raffle item (or money for purchasing raffle items) for our event, please complete the form below, attach it to your donation, and drop it off at 1967 Allouez Avenue, Green Bay, WI 54311 anytime between 8 a.m. and 4 p.m. Monday – Thursday. If you would like to arrange a pickup, please email jmaier@greenbayhabitat.org.

Thank you,

Jennifer Maier
Event and Volunteer Director
Greater Green Bay Habitat for Humanity
